

Bell County Museum Field Trip Grants

The Bell County Museum is pleased to assist schools by offering grants to assist with field trip expenses. Any public or private school may apply for financial assistance to visit the Bell County Museum. These grants should go toward the cost of a school bus, driver, fuel, and if necessary, a substitute teacher. The Bell County Museum will pay \$50 per bus for each field trip.

Please submit this form at the completion of the field trip. You can even leave it with us on the day of your visit. Payment will be mailed to your school approximately two weeks after the visit. If you forget to leave the form with us the day of your visit, the forms can be sent to the Bell County Museum at P.O. Box 1381, Belton, TX 76513 or faxed to (254) 933-5756.
